NOTICE OF OPPOSITION

Opposer, Polar Corp. (hereinafter, “Opposer” or “Polar”) is a corporation duly organized and existing under the laws of the Commonwealth of Massachusetts, with a principal place of business at 1001 Southbridge Street, Worcester, Massachusetts 01610.

Polar believes it will be damaged by the registration of U.S. Trademark Application Serial No. 86/501,494 filed by Liu Qiang (“Applicant”) for the ARCTIC OCEAN (and Design) mark covering, “aerated water; fruit juices; fruit nectars; malt wort; non-alcoholic fruit juice beverages; powders for making soft drinks; powders used in the preparation of fruit-based beverages; preparations for making beverages, namely fruit drinks and aerated water; sherbet beverages; smoothies,” in Class 32 and hereby opposes the same.

As grounds in support for this opposition, Polar alleges the following:

1. Polar has, for many years and since long prior to the filing date of Applicant's application or any date of first use upon which Applicant can rely, been engaged in the manufacture, distribution and sale of a range of beverages, including carbonated soft drinks, non-carbonated water, concentrates for soft drinks, iced teas, fruit juice and seltzer water under a design mark that is a polar bear shown in silhouette as follows (the "Polar Bear Mark"):

2. Polar adopted the image of a polar bear at least as early as 1906 as a trademark and has consistently used the Polar Bear Mark as a trademark to identify a range of beverages, including carbonated soft drinks, non-carbonated water, seltzer water, iced teas, fruit juices and seltzer water blended beverages, long before any date of first use upon which the Applicant can rely.

3. Polar is the owner of the following federal registrations for Polar Bear Mark for use in relation to non-alcoholic beverages, including soft drinks and other carbonated beverages:

Polar Bear Mark, Registration No. 3059151, for, "soft drinks," in Class 32; and

Polar Bear Mark, Registration No. 3984983, for, "drinking water, blended seltzer water and fruit based beverages," in Class 32.

Copies of TSDR Reports from the USPTO electronic records system showing the current status and current title for the foregoing registrations are attached as Exhibit 1.

4. The certificates of registration identified in Paragraph 3 are valid and subsisting and record title is in Polar; the certificates of registration are *prima facie* evidence of the validity of the Polar's ownership of the mark and Polar's exclusive right to use the Polar Bear Mark in commerce in connection with the goods specified in the registrations under the provision of U.S.C. § 1057(b) and constructive notice of Polar's claim of ownership under 15 U.S.C § 1072.

5. Opposer adopted the term POLAR as a trademark for, and has consistently used POLAR as a trademark to identify, a range of beverages including carbonated soft drinks, concentrates for soft drinks, non-carbonated water, seltzer water, iced teas, and fruit juice and seltzer water blended beverages (the “POLAR Mark”).

6. Opposer adopted and commenced use of its POLAR Mark long before any date of first use upon which Applicant can rely.

7. Opposer has significant common law interest and rights in and to the term POLAR as a trademark for carbonated soft drinks, bottled water, seltzer water and other beverages, and has used the mark in interstate commerce in relation to such products since at least as early as 1902.

8. Opposer is the owner of the following United States Federal Registrations for the POLAR Mark:

POLAR, Reg. No. 3914067 for drinking water, carbonated soft drinks, blended seltzer water and fruit based beverages in Class 32.

POLAR (Stylized), Reg. No. 0084705 for the mark POLAR for natural aerated water in Class 32;

POLAR and Design, Reg. No. 1177537 for drinking water in Class 32; and

POLAR PURE, Reg. No. 2743648 for drinking water, purified water in Class 32.

Copies of TSDR Reports from the USPTO electronic records system showing the current status and current title for the foregoing registrations are attached as Exhibit 2.

9. The certificates of registration identified in Paragraph 8 are valid and subsisting and record title is in Polar; the certificates of registration are *prima facie* evidence of the validity of the Polar’s ownership of the mark and Polar’s exclusive right to use the Polar Bear Mark in commerce in connection with the goods specified in the registrations under the provision of U.S.C. § 1057(b) and constructive notice of Polar’s claim of ownership under 15 U.S.C § 1072.

10. During the long and continuous use of the Polar Bear Mark and the POLAR Mark in connection soft drinks and other non-alcoholic beverages, Polar has used the POLAR Mark and the Polar Bear Mark together on its beverage products.

11. Opposer has expended considerable time, effort and resources in the advertisement, promotion, sale and distribution of non-alcoholic beverage products bearing Polar Bear Mark and the POLAR Mark. As a result, these marks embody substantial and valuable good will belonging exclusively to Polar.

12. On January 12, 2015, Applicant filed application Serial No. 86/501,494 for ARCTIC OCEAN (and Design) mark covering, “aerated water; fruit juices; fruit nectars; malt wort; non-alcoholic fruit juice beverages; powders for making soft drinks; powders used in the preparation of fruit-based beverages; preparations for making beverages, namely fruit drinks and aerated water; sherbet beverages; smoothies,” in Class 32 (“Applicant’s Mark”) as follows:

13. The Applicant’s Mark features the term ARCTIC OCEAN centered beneath an image of a polar bear standing on four legs with its head facing left.

14. The polar bear in the Applicant’s mark is standing on snow, with a dark background above the snow, with the design element presented inside a circle.

15. The Applicant filed its application based on his intent to use the mark ARCTIC OCEAN (and Design) and, to date the Applicant has not amended the application to state a date of first use of the mark in commerce.

16. Polar's rights in its Polar Bear Mark are prior in time to the filing date of the Applicant's intent to use application.

17. Polar's rights in its POLAR Mark are prior in time to the filing date of the Applicant's intent to use application

18. Polar's Class 32 goods and the Applicant's Class 32 goods are identical in many cases and highly similar in others.

19. Polar's goods identified by its Polar Bear Mark and POLAR Mark on one hand, and the Applicant's goods proposed to be identified by the Applicant's Mark on the other, are identical or highly related and are therefore going to be marketed and sold to the same consumers and in the same channels of trade.

20. Polar's extensive and long-time use of its Polar Bear mark has caused this trademark to attain public recognition as an identification of the source of Polar's beverage products and distinguishes Polar's goods from the goods of others.

21. The commercial impressions created by the Applicant's Mark on one hand, and Polar's Polar Bear Mark and POLAR Mark on the other, are similar and likely to be viewed as similar by consumers.

22. Consumers of non-alcoholic beverages are not making detailed assessments of such products because these products are commodities, sold at low price points and purchased without significant consideration by consumers.

23. Consumers are likely to mistakenly associate Applicant's Mark with Polar's Polar Bear Mark and POLAR Mark and to believe in error that Polar endorses, sponsors, produces or is somehow affiliated with Applicant and Applicant's products.

24. Polar will be damaged by the registration sought by the Applicant because such registration will support and assist Applicant in the confusing and misleading use of the proposed polar bear design mark, and will give color of exclusive statutory rights to Applicant in violation and derogation of the prior and superior rights of Polar.

25. Registration of the Applicant's Mark therefore should be refused pursuant to Section 2(d) of the Trademark Act of 1946, as amended (15 U.S.C. §1052(d)), on the grounds that the Applicant's polar bear design element in the Applicant's Mark so resembles Opposer's Polar Bear Mark and POLAR Mark as to be likely, when used on or in connection with the goods of Applicant, to cause confusion or to cause mistake or to deceive, all to the detriment of Opposer.

WHEREFORE, Opposer asserts that it will be damaged by the registration of Applicant's Mark, and prays that this opposition be sustained and that registration of the Applicant's Mark in Class 32 be refused.

Dated: August 10, 2015

Respectfully submitted,

POLAR CORP.,
